St. Michael's

University of St. Michael's College

Vol. 29, No. 2 Fall 1991

THE PRESIDENT'S REPORT TO ALUMNI

On 1 July, 1991 I began my second year as President of the University of St. Michael's College. This first issue of *St. Michael's* since that date provides me with the opportunity to report briefly to you on the present financial situation of St. Michael's.

Any such report must begin with an expression of deep gratitude to the more than three thousand six hundred donors to the 1990-91 Annual Fund. A record five hundred and ninety-four thousand dollars were donated by you, the alumni and friends of the College. Included in this amount is a major gift by the Basilian Fathers of St. Michael's, a donation over and above their contribution of one half of their salaries and their substantial gift to the Capital Campaign. The Basilian commitment to St. Michael's remains strong and enduring.

A full report on our Capital Campaign will be sent to you when that drive is completed. It is a credit to you and to other friends of St. Michael's that I am able to report that over two million of the almost four million dollars pledged in the Campaign has now been received. Although a date has not yet been set for the start of construction, the architectural design work and other planning for our projects, including a new academic building and total renovation of the Coach House behind Alumni Hall as a lecture theatre are well underway. Although construction costs in Toronto have borne the impact of the recession, a factor which should work to our advantage if we can begin work in the next twelve months, it is already very clear to me from my meetings with our architects that we will need all the monies pledged to complete

construction to a standard that we can point to with satisfaction and pride in the future.

The generosity of the alumni and friends of St. Michael's, even in hard financial times, is one of the many positive and encouraging experiences of my first year in the President's office. The spirit of the College, as expressed in its students, faculty and staff, I have found to be extremely positive and supportive. Our students continue to achieve academic distinction that makes graduates of previous generations, including myself, proud to be associated with St. Michael's. This past year students graduating from the College won, among other prestigious scholarships, one of only three Governor General's Gold Medals awarded at the University of Toronto, the inaugural Canada Memorial Foundation fellow-

ship, and a Mellon scholarship. Students have also joined wholeheartedly in the efforts to obtain city approval for the Bay Street property development plan. The graduating classes of 877 to 9T1 have pledged almost \$60,000 towards improvements to our facilities and student services, improvements which could not otherwise be funded. And what is more, by the completion of the Capital Campaign they will have donated \$250,000 toward our goal.

In several meetings since it was constituted, the new Finance Committee of the Collegium has concentrated on finding ways to stabilize and then reduce our operating deficit. Only absolutely necessary expenditures have been approved; some staff who have retired have not been replaced; our Food Services Department is undergoing a major reorganization; renovation, landscaping, and signage programmes have been deferred, and only essential maintenance projects are being undertaken.

See page 3

Grad Gift 9T1: Another Record!

Congratulations to the class of 1991! With the leadership of Jackie King and Bill Moreau, the class of 9T1 has pledged \$30,000 for its graduating gift (called *Gratitude*) to the College. The projects chosen by the class are the installation of a clock in the Elmsley tower overlooking the Quad, and assistance in establishing a computer facility available to students for their academic work. This pledged amount is the largest in the five-year history of the graduating student gift programme.

The Kelly Lecture - A Night to Remember

President Alway, the Eminent Chancellor Cardinal Carter, Father Gustavo Gutierrez, Dean of Theology Father Michael Fahey, S.J.

On 19 March, Father Gustavo Gutierrez, parish priest, internationally renowned scholar of Liberation Theology and professor at the Instituto Bartolome de las Casas in Lima, Peru, delivered the 1990-91 Kelly Lecture to an audience of over seven hundred eager listeners who overflowed the Brennan Assembly Hall and filled Brennan Lounge.

Father Gutierrez, speaking movingly from only notes, reflected on the significance of our observance in 1992 of the 1492 expedition of Columbus to the New World. In a balanced presentation he stressed the importance in the Gospel of an active concern for the poor and our obligation to recognize and respect cultures other than our own.

After the formal lecture, Father Gutierrez answered questions from the audience and chatted with many friends and admirers during the reception that concluded the evening. He had lunch the following day with the members of the Faculty of Theology and then returned to his parish in Lima for the ceremonies of Holy Week.

Father Gutierrez left his listeners with much to think about, and with the memory of a man of learning, simplicity, zeal and prayerfulness.

Theatre at St. Mike's is expanding its horizons this year. There are three areas of activity that might be of special interest to you.

President's Report to the Alumni

continued from page 1

The effect of these economies has been to arrest the recent upward climb of our operating deficit. Next year will see our first reduction in this deficit category, but it will still be dangerously high at \$2.7 million.

Two years ago it had been anticipated that by this time a major cash income would have been realized from the development of the Bay Street property. Unexpectedly prolonged negotiations with City authorities and neighbourhood groups have delayed final closing of the sale, and the effect of the recession will influence the date of the initial substantial payment. This lengthened process means that St Michael's will experience severe financial strain over the next three to four years as we put in place, with the advice of our Finance Committee, necessary bridge financing for the College. We

are, however, confident that these lengthy and complex procedures will be favourably concluded and we will, with the help of the endowment to be established from the land sale, achieve a break-even fiscal position.

Some difficult, but not desperate, years remain ahead. The College has a plan to deal with present and future needs, and the worry, the hard decisions, sacrifices and stringent budget policies should be seen as a very worthwhile price to pay to maintain and develop the tradition of excellence in Catholic higher education that has been the hallmark of St Michael's for over a century.

I have every confidence that the friends and alumni of St Michael's, together with the students, faculty, staff and administration now at the College, will take the actions necessary to secure, through the next decade and into the new century, the future of this great institution.

The soon-to-be-renovated Coach House

1990-91 Annual Fund Report

By Robert Madden, C.S.B.

As President Alway notes in his report, the 1990-91 Annual Fund totaled over \$594,000. We, the alumni and friends of St. Michael's, are able to keep the financial commitments made to the John M. Kelly Library, to the special academic College Programmes in Celtic Studies and in Christianity and Culture, to the Chaplaincy, to scholarships, and to other programmes also at the heart of the spiritual, intellectual, cultural, social, and athletic life of the College.

These same projects the Board of Directors of the St. Michael's College Alumni Association has agreed to support at the same level this 1991-92 Annual Fund year. These projects are not "frills" or "add-ons." They help form the core of the unique experience that is St. Michael's. We need \$600,000 to fund them.

Thanks to all who supported the 1990-91 Annual Fund. There were more donors than ever before, and once again St. Michael's stood number one in the entire UoT Annual Fund.

A special word of gratitude to the volunteer alumni, students and faculty who made the 1990-91 phonathon another success.

Please keep St. Michael's a priority in your personal charitable giving.

Again, thank you! And keep those letters coming!

Bay Street Development Receives Toronto City Council Approval

At its 12 August meeting the Toronto City Council, by an 11-5 vote - which reflected council members clear understanding of St. Michael's financial situation - gave final approval to the plan for the development of the St. Michael's Bay Street property. This favourable vote concludes a procedure which has lasted more than three years and moves the College closer to the implementation of a difficult decision to sell the Bay Street land, a decision which involved considerable input from students, administration, alumni, faculty and other friends and professional advisers of St. Michael's.

Neighbourhood and other interest groups opposed to the development have indicated their determination to appeal the City Council's decision to the Ontario Municipal Board, which has the power to overturn that decision. Such an appeal, if undertaken, would take up to eighteen months thus resulting in further delays to the beginning of construction and payment to the College of the initial major portion of the sale price. Some satisfaction can be taken from the fact that progress, while exceedingly slow, has been continual.

Did You Know That If You've Graduated Since 1976 You are a St. Mike's Young Alumni and that there is a Special Committee Representing You on the St. Michael's Alumni Board?

As co-chairpersons of this young Alumni Committee, we would like to tell you a bit about the Committee's functions and how you can get involved.

The YAC is in its second year of existence and has already established several successful annual events, including baseball games, pubs, and theatre nights. In addition to participating in special events, young alumni also help out during academic orientation, convocation and orientation week.

Recently, we've restructured the Committee and, with the help of some very energetic people, have established three working sub-committees: Special events (P. Syron, M. Comacho); Education (M. McGrann, K. Marshall); and Public Relations (P. Boyce, S. Cheetham).

As you can see from the attached sched-

ule of College events, the third year of the Committee is going to be another busy and successful one. We would like to invite you to join us during the year for any of these events.

If you would like to become involved

with the Young Alumni, please contact any of the above people through the Alumni Office (926-7260).

We can't emphasize enough how important it is to the continued growth of the Committee that we hear from you. Please take a moment to complete the questionnaire and mail it (or FAX at 926-7276) to the attention of the Alumni Office.

Bill Bennett, O.B.E. 3T4 and Father Bill Brown, C.S.B. 3T7 provide excellent examples of alumni who served St. Michael's in extraordinary ways.

William John Bennett died at his home in Montreal 23 April 1991 after a long illness. His brilliant career included politics, industry, and labour relations. He served as President of several leading Canadian mining and refining companies, and made significant contributions to the civic community by his service on the boards of cultural and health care institutions. His loyal interest in the work of St. Michael's was shown in many ways, from his co-founding of the Michaelmas Conference to his

**FATHER OWEN LEE,

VERDI**

It promised to be another extraordinary opera afternoon for the alumni and friends of St. Michael's; and it certainly was. On the afternoon of 26 May 1991 over one hundred and fifty opera lovers crowded into the St. Michael's Theatre to hear Father Owen Lee speak on four operas by Verdi.

With the sensitivity and the mastery of opera, literature, myth and literary theory that mark his commentaries on the "Live from the Met" radio broadcasts, Father Lee revealed some of the many facets and hidden depths of Verdi's *Rigoletto*, *Il Trovatore*, *Simon Boccanegra*, and *Otello*, linking them by the thread of the relationship of fathers with their children.

It was a wonderful afternoon, and the audience's applause showed its appreciation and gratitude for the insights they had received. The generosity of Father Lee, his genius, and work of alumni special events coordinators Gloria Buckley and Anne Marshall, assisted by Marcella Tanzola, made the afternoon, and its success, possible.

continuing support of the College and the Pontifical Institute of Medieval Studies through generous financial assistance and by his wise counsel. Most recently he was a member of the St. Michael's Capital Campaign Committee. His work for society and his Church was recognized formally by the honours bestowed upon him by the Universities of Toronto and Ottawa, by St. Francis Xavier University and by the University of St. Michael's College. He was followed to the College by sons John 6T7 and Hilary 7T4, his daughter Mary Sue Bennet-Brown 6T2 and two of his grandchildren, Wendy Brown 8T8 and current student Kate Huband.

Father William Brown died 19 March 1991 in hospital in Toronto after suffering a heart attack. Many students from St. Michael's College School, Michael

Power-St. Joseph High School, St. Mary's College in Sault Ste. Marie, and St. Charles' College in Sudbury will remember Father Brown as an outstanding teacher whose dedication to their learning the mysteries of Mathematics was complete. St. Michael's College students of the forties will recall his work in the Bursar's Office, while more recent students will remember him as the Student Awards Officer who assisted them in their applications for loans and bursaries. His devotion to the welfare of students was the hallmark of his life as a Basilian, a teacher and an administrator.

As is true of so many alumni, Bill Bennett and Father Bill Brown contributed greatly to the traditions of St. Michael's.

**Chesterton Conference

Five years after the very successful G. K. Chesterton 50th Anniversary Conference, St. Michael's will be hosting a second such conference 20, 21 September 1991. This conference will focus on Chesterton's journalism. Guest speakers and panelists from Europe, the United States and Canada will include Owen Edwards, Robert Fulford, Noel O'Donoghue, Philip Marchand, Gerard Owens, Alberto Manguel, and Ted Byfield. A DAY TO REMEMBER

By Rosemary Rizzo 9T1

On a very hot, sunny Monday June 10 morning, St. Michael's College graduands went in procession from the quad to St. Basil's Church for the celebration of the traditional Baccalaureate Mass. The church was filled with a standing-room only congregation composed of graduating class members, their families and friends, and members of the faculty and staff. A reception in Brennan Hall followed. The cool drinks and air-conditioning were appreciated by all!

The afternoon consisted of pictures, diplomas, pictures, receptions, and-pictures. St. Mike's spirit was definitely alive as nearly six-hundred of us filed into Convocation Hall, where camera-clad relatives and friends had filled the auditorium in an overwhelming show of support. Professor William Dunphy, Principal of St. Michael's, gave a memorable Convocation Address which he urged us to forget. The degrees were conferred by Dr. Robert Prichard, Vice-Chancellor and President of the University of Toronto.

A Hart House reception followed Convocation, and then St. Michael's hosted its graduates and their guests at a buffet-reception in Brennan Lounge; the annual awards ceremony brought the day to a fitting close.

Many thanks to the administration and staff of the College for all their work and care in arranging the events, and to St. Michael's Alumni Association for acting as welcoming hosts, and also for providing the morning refreshments and the evening buffet. Thanks, indeed, to all who made this June 10 a day the 1991 St. Michael's graduates, their families and their friends will always remember.

1990-91 ANNUAL FUND DONOR ACKNOWLEDGEMENT

Over three thousand six hundred alumni and other friends contributed to the 1990-91 St. Michael's Annual Fund: the largest number of annual donors in the College's history. As was announced earlier, the names of donors of \$100.00 and more to St. Michael's through the Annual Fund from 1 May 1990 to 30 April 1991 are published in the following recognition groups: Presidents' Committee, (Benefactors, \$10,000+; Patrons, \$5,000-\$9,999; Sponsors, \$2,500-\$4,999; Members, \$1,000-\$2,499; Taddle Creek Society, \$500-\$999; St. Michael's Society, \$250-\$499; Double Blue Society, \$100-\$249. Unlike the practice of the

University of Toronto Magazine, donations to the St. Michael's Capital Campaign are not included in these statistics; however, those who have made a donation to the Campaign are marked with an asterisk. Capital Campaign donor acknowledgements will be made in the Capital Campaign Report. The wishes of those who notified us of their choice to remain anonymous have, to the best of our ability, been respected. Donors are listed alphabetically in their class year within the recognition groups.

Branches, Branches, Branches

In conjunction with the UofT Department of Alumni Affairs, St. Michael's alumni took part in events in Washington, D.C., Chicago, and London, Ontario. In Washington on 12 April and in Chicago on 10 May St. Mike's alumni showed up in force to join alumni from the UofT and other Canadian universities at the All Canadian Universities Alumni Dinners held annually in those cities. The Washington pictures did not turn out (we should always take Father Frank Mallon wherever we go!); we were more successful in Chicago. The UofT was the host university in each city, and UofT President Robert Prichard spoke forcefully on each occasion about the current situation of Canadian universities.

St. Michael's President Richard Alway and Father Madden travelled to Rochester, Syracuse, Albany and Troy on 5, 6, 7 April. On Friday 5 April Joe Valenti 5T8, Tony Biondi 5T9, and a very successful committee attracted over seventy-five St. Michael's grads and friends to a spirited reception at the University Club in Rochester. On the next evening twenty-five St. Michaelites from the Troy, Albany, Syracuse area met for dinner in Regan's Steakhouse near Albany. Mike Dorgan 6T5, Jim O'Keefe 7T6, and Trojan stalwart Vic DeBonis 3T9 headed a committee whose work made the evening the success that it was. At each of these

gatherings President Alway outlined the developments at the College, emphasizing the importance of the strong alumni support it enjoys.

The evening of 16 May saw more SMC alumni and other UofT grads from the London, Ontario area gather with Gordon Cressy, UofT Vice-President of Development and University Relations,

and Rivi Frankle, Director of UofT Alumni and Community Relations for a pleasing theatre performance followed by a lively reception.

Plans are underway for another St. Michael's gathering in New York City on 15 September, and things are gradually working up to an alumni event in Ottawa--Stay Tuned!

Monsignor Edward Synan Awarded Aquinas Medal

At its annual meeting, held in April this year in Boston, the American Catholic Philosophical Association, in recognition of his outstanding contribution to philosophy in North America, presented its Aquinas Medal to Monsignor Edward Synan, former *Praeses* and Fellow of the Pontifical Institute of Mediaeval Studies and long-time member of the Department of Philosophy at St. Michael's and the UofT. His students, colleagues, and other friends will readily acknowledge the truth of the citation read on the occasion of the presentation of the medal, "A man who loves truth, and shows it; justice, and practices it; a man of deep faith who loves all others: Professor Synan has touched countless lives with his illumination and beneficence."

And so say all of us!

Some of the Chicago alumni: Anne Stinneford 7T6, Pat 5T8 and Bill Harding, Maria 6T3 and John Hagener, Kathy O'Regan 6T4 (Kathy was organizer for the entire event), Wally 6T3 and Anne Fitzgerald
